

WHAT IS STRUT YOUR KIDNEY?

Strut Your Kidney to celebrate, honor, and raise awareness for children with chronic kidney disease. All proceeds raised will go to Northwest Kidney Kids, the only organization supporting children with kidney disease and their families. Let's come together as a community while staying apart!

NW Kidney Kids' main goals are to PREVENT the progression of chronic kidney disease, provide programs to CONNECT children and families, EMPOWER youth to take charge of their health, and TRANSITION them into adulthood with lifelong success.
